- **Name that building**

I am sure many of you enjoyed the new heated classroom during the last shoot. It is a great way to warm up after shooting. CIA is looking to name the building through a contest. If you have a name in mind please let an officer know by January 15th. A list of suggestions will be posted and the January 21st shoot and the name will be voted on by the membership at the February 18th shoot.

Happy New Year

• **3-D Replacement Core**

CIA will be ordering 20 replacement cores for small 3-D targets. Rinehart is offering a buy 1, get 1 free offer to archery clubs for blemished replacement cores.

• **Security**

CIA will be adding a couple additional security cameras at the range. We ask that everyone keeps an eye out for any suspicious activity at or near the range. If you see anything suspicious, please report it to a club officer or local law enforcement. Help us keep our range safe and secure for our enjoyment of archery.

• **Lawrence Schachle**

The archery community lost a great friend in October with the passing of Larry Schachle. Larry was a CIA member. Larry built the awesome blue bow holder used at the 3-D shoots. A Celebration of Life will be held next summer. In lieu of flowers, a donation may be made in Larry's name to Cook Inlet Archers to help support kids archery program. Larry will be greatly missed!
