- **IBO Membership**

10 IBO Annual Memberships from active club members are required for CIA club insurance through IBO. If you are an IBO member or would like to join, let club Treasurer Vikki Gross know so it can be documented. It is renewal time for those who are already IBO Members.

- **3-D Targets/Bow Rack**

Thank you to Gary Perkins who donated a couple 3-D targets to the club for shoots (small polar bear and dinosaur). The club will be purchasing one repair kit to repair the wolf target. Replacement cores have been received. Also a thank you to Larry Schackle and "The Back Yard Archers" for the donated bow rack.

- **Municipal/Parks Meetings**

A Parks & Rec. Board of Directors meeting will take place on January 11th and a Chugiak Community Council meeting will take place on January 21st. There has been a request to open the archery/flying/horse areas for non-member use (walking, biking, etc). Club President Miles Spathelf and Dan Brandvold have agreed to represent the club and talk about our use of the area as an active user group and to represent our opposition to open public use.

- **ATV/Snow Machine Use**

General use on municipal property is not permitted. We are only allowed to use muni-approved machines for setup and takedown of targets. Riders have been asked to wear an orange vest during these activities. Vests will be purchased and kept in the connex.

- **Alaska Outdoor Council**

CIA's membership in the Alaska Outdoor Council has been approved for renewal. Visit <http://alaskaoutdoorcouncil.org/> to find out more about the Alaska Outdoor Council.
