• Help with 3-D Shoot Lunches

It take a good bit of work to set up a shoot and provide a lunch. A few folks are continually grilling, purchasing food, and preparing lunch items. Thank you to these folks for doing all of this. We would like to give them a break here and there. We are asking for some extra help from our members. If you are available to assist with lunch in the next few months ahead, please let us know. Your help would be greatly appreciated. Rotating duties makes it a lot easier. Contact an officer if you would like to help out —THANKS!

• **Security Cameras/Thank You**

Cook Inlet Archers would like to thank Russ Oyster for all of his help over the past few years with maintaining the security cameras. We would also like to thank Erik Penfold as he will be taking over these duties.

• **Board & General Membership Meetings**

Cook Inlet Archers has set up a general meeting schedule for the year ahead. Meetings will take place at Bella Vista Restaurant (unless it is unavailable). Meetings will take place in the months of October, December, February, April, and May. The board will meet from 6:30pm-7:00pm and the general membership meeting will start at 7:00pm and last approximately an hour. Meeting info will be posted on the club website. The Next Meeting is April 10th, 2018

• **Prizes/Awards**

Shooting Awards were discussed at the last meeting. Prizes and categories will remain unchanged for this season. There will be a few changes for the 2018-2019 season. These changes will include having separate classes for women shooters in each division and prizes or drawings at every 3-D shoot. We are also looking at ways to increase youth participation. We are open to suggestions. This year the top 3 shooters in the cubs division will win a small 3-D target.
