WELCOME BACK ARCHERS!!

We're off to a new season of archery! We will have a work party to pick up winter debris etc. on **October 4<sup>th</sup> starting with Pizza at noon**. The work will follow. This year we will be offering a league shoot from October to May with the 4 highest scores counted toward league points. Stay tuned for prizes. We also have decided to provide **1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place pins** based on scores and shoot categories during the **October and March shoots only**. If you like to receive pin recognition, please be sure to attend those activities. The December 21<sup>st</sup> shoot will be **FREE** this year and not be counted toward league. Mike Quinn will still be cooking his Turducken for lunch that day, so come out for a delicious meal and shoot the course for free.

Our next membership meeting will be held at Pizzaman Restaurant in Eagle River on November 11<sup>th</sup> at 7:00 p.m. Please attend and help with decisions being made that effect your club!

YOUR COMMUNITY NEEDS YOU: MONO-FILL MEETING AT LOUSSAC LIBRARY OCT 7, 6:30

We love our youth shooters.

There will be a meeting at the Loussac Library in Anchorage on October 7<sup>th</sup> concerning the Dump proposal to build a site very close to the Cook Inlet Archers range. Please try to attend and become educated on how this will effect our range and whole community. The meeting starts at 6:30 p.m.

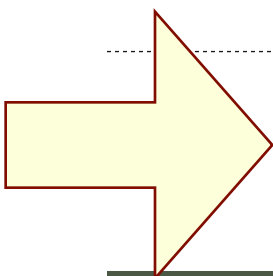

It has been suggested we offer awards and recognition at the beginning of our shoots in the morning when announcements are being made. What a great idea! We will try that and see how people like waiting a month for their cook inlet

archersawards.

NEW COMBINATION FOR THE GATE LOCK

The gate padlock has been changed to GOAT or 4628. Please share this with members only. It is one of the benefits of belonging to our club.
