COOK INLET ARCHERS

QUARTERLY NEWLETTER

THAT'S A WRAP!!

The CIA 22'/23' league season has finally come to an end. We congratulate this year's winners and are extremely proud of the sportsmanship, competitive spirit and passionate environment they helped foster during the league competition and beyond. This year has seen many firsts in CIA history... a new classroom/assembly hall that became a refuge and dining hall during the cold winter months, a volunteer appreciation raffle to recognize outstanding member volunteers, direct support to the premier S3DA AK Program, and last but not least, the youngest President in the history of CIA.

Speaking of which, please welcome Micheal Hickey and Isaac Kelsey, CIA's newest President and VP respectively! Furthermore, we'd like to say thank you to both Rise' Smith and Vikki Gross for continuing to carry out the duties of Secretary and Treasurer.

Be on the lookout for an announcement about our summer work party at the range. We would enjoy your company and the helping hand!

We look forward to seeing all of you and hearing of your great Alaskan adventures in October.

MESSAGE OF APPRECIATION

CIA extends a heart felt thank you to all its members, officers, advisors, volunteers, and sponsors for making this year not only a success but an exciting one. This success would never have been realized if it had not been for your tireless efforts to see the many challenges and opportunities through! Blessings of health and prosperity go out to each and every one of you! Your contributions to CIA, the community, and the lifestyle of archery here in AK are immeasurably appreciated.

S3DA SUPPORT

Cook Inlet Archers was honored this year to support Alaska's first ever Scholastic 3D Archery Program (S3DA). We understood the intent and vision of S3DA and sought to partner with S3DA leadership since the onset of the program. We are inspired by the hard work and dedication of its members and leaders. We stand poised and ready to support the program's goals and objectives both near and long term. From Monday night range practices to enhance outdoor archery skills to hosting the first ever S3DA 3D outdoor tournament, we mutually believe that the future of the sport of archery is with our youth. Helping to foster the tenets of archery and its way of life are at the forefront of CIA's vision and so with certainty, we believe that S3DA Alaska will continue to grow into the premier organization it is destined to become and CIA hopes to play an integral part.

GENERAL MEMBERSHIP MEETINGS

CIA's General Membership meetings will begin again in October. They are held every second Tuesday of every other month. However, stay tuned for our September Quarterly Newsletter for any changes and updates to that schedule.

These meetings are designed to keep CIA members abreast of the latest information and status of past, present, and future initiatives to include current finances. They are also intended to provide a forum for members to communicate and provide input as necessary. Transparency is what we aim to promote and achieve. This is your organization, let us know what you think.

HUGE THANK YOU TO OUR SPONSORS
